Dear Students & Parents,

Greetings and welcome to Motion.

As the Managing Director of Motion Education, I would like to take this opportunity to share our vision and mission. It is due to our strong commitment to the quest for excellence in the field of education, that Motion is making rapid progress by providing better resources to impart best quality education.

We believe in harnessing the latest technology to deliver effective outcomes. Thus, we continuously upgrade our teaching tools and techniques as well as our academic programs. Our technology enabled education to be a blend of cost-effective and simplified learning.

Being an educator is certainly a wonderful task but at the same time an awe-inspiring ethical challenge.

Our motto "हमारा विश्वास हर विद्यार्थी है खास" is always the theme of everything we do. We make sure that every student realizes his or her potential and nurture it through knowledge. We strive to create a dynamic environment for education and set the stage for student's achievement and success.

We have constantly endeavored to grow and develop our network all over India. Today the institution has a collaborative partnership with many esteemed educational organizations. The positive feedback provided by students and parents about our academic system, faculty members and superior quality of our study material prepared by our eminent teachers has always distinguished us from all other institutes. With more than 15 years of teaching experience, I have developed an understanding of students, their behavior and pattern. I understand how to combine the right formula to achieve competitive success. I call them 7 secrets which we will be describing further.

I welcome your interest in our learning community. Wishing you all a significant and remarkable journey ahead!

Dear Students

Welcome to Motion !

I feel privileged to be able to connect to you all. I believe that in order to excel & to improve the quality of education on a consistent basis, it is required to persistently seek and adopt innovative methods. Hence we at Motion, are constantly putting our efforts to transfer the Knowledge of our esteemed Faculty Members to the young minds who have accepted the challenge to be the brightest Technocrate & Medico of the country. The excellent teaching standards at Motion spur us to pursuit relentless excellence. I assure you that your time at Motion is going to be the most pleasant experience ever. Our Success lies in your accomplishments only.

Wishing you all the best for your future endeavours.

Sincerely,

B. Uday Kumar Reddy

Managing Director (T.S. & A.P)

Admission OPEN

JEE | NEET (Class 11th & 12th)

KOTA now in HYDERABAD

Get ready for JEE (Main + Advanced)/ NEET/FOUNDATION with the highly experienced faculties and all the tools you need to build a successful career

Get in class with Top Faculties the Highly Qualified & Experienced Faculty are the Greatest Asset of Motion

Mentorship Sessions & one-to-one Conversation Provides Leverage to Find Loopholes in Preparation to Remove Hustle
